## YOU MAY

## YOU MAY NOT

Insert Digital Pieces as-is in digital, paperless resources on Google Drive, Microsoft OneNote, ClassKick, Nearpod, SmartBoard, PowerPoint, Boom Cards, etc. in educational activities for personal and commercial use (paid resources only).

You may not use Digital Pieces on paper or printable activities, as clipart in resources, or for tangible goods for personal and/or commercial use.

Use Digital Pieces as-is in digital paperless resources. You DO NOT need to secure Digital Pieces; they may be used as movable pieces as-is. You may combine them with other elements in your digital resources.

You may not alter or create derivative pieces from Erintegration Digital Pieces for sale or free, in a commercial resource, blog post, social media post, or video.

Use Digital Pieces within a paperless resource as part of an educational activity.

You may not use Digital Pieces on social media, blog posts, websites, logos, banners, advertisements, video, or other related graphic use.

Direct students using a resource created with Digital Pieces in an educational setting, to copy & paste in the digital resource, move, or otherwise alter the Digital Piece within the activity.

You may not give permission or imply that Digital Pieces can be saved or downloaded by purchasers. Include a clickable link as directed with the text specified above to direct purchasers to acquire their own license.
